Jimmy--He Has a Girl.

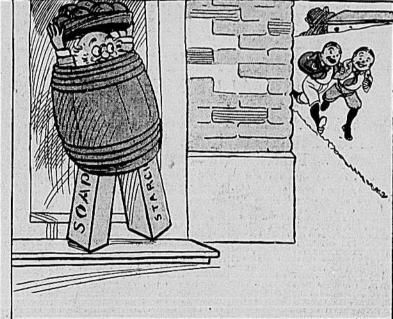

The boys plan an attack on Foxy Grandpa's barrel of apples, but are foiled. Little Brother joins the party in time to see the fun.

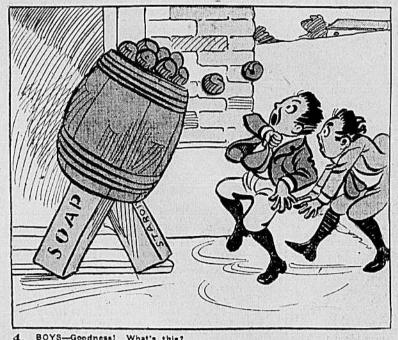

1. BOYS-Now is a good time to get into Grandpa's barrel of apples.

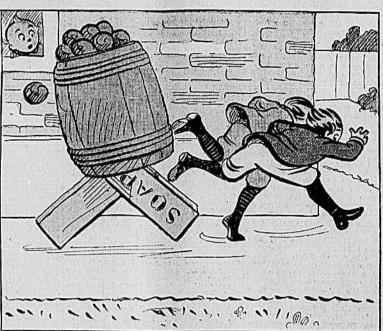

2. GRANDPA—Now is my time to give those young mischiefs a little surprise

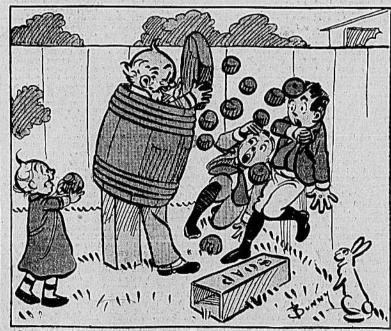

3. GRANDPA—This ought to jar them a bit, anyway. I am ready just in time.

BOYS-Goodness! What's this?

GRANDPA—Why, hello, boys! Try a few of these nice apples, they
will be good for your nerves.
